

COCOA BEACH GOLF COURSE

5000 Tom Warriner Blvd , Cocoa Beach

321-868-3351

Cocoa Beach Country Club is committed to ensuring the safety and well-being of our Golfers and Staff Members. We want everyone to feel comfortable while visiting so we are taking additional precautions and carefully monitoring the COVID-19 pandemic and keeping tabs with all communications from the Centers for Disease Control (CDC).

We have enhanced our cleaning procedures to include the use of disinfectant cleaner on/in: Golf Carts, Bathrooms, Tables and Chairs, Counters, Door Handles, and other touch points at the club and on the course. In order for us to properly disinfect the golf carts, the following hours have changed. The last 18 hole cart tee time will be 2:30 pm. The last 9 hole cart tee time is 4:30 pm. All carts need to be in by 6:30 pm. If you would like to play 18 holes after 2:30 pm or 9 holes after 4:30 pm you are welcomed to walk. The last time to purchase range balls is 6:00 pm with the range closing at 6:30 pm.

We are encouraging all guests and staff members to wash their hands with soap and water as frequently as possible. We also ask all individuals that are not feeling well to stay at home and seek medical attention as their situation dictates.

We are striving to make our club a safe environment for everyone. Additionally we will not be holding any golf tournaments, golf play will be by individual tee times only and we encourage all to practice social distancing (6 feet apart). The course will allow walking for all tee times as an option in observance of proper social distancing. Single rider carts are available on request. If you are paired with people you do not know, single rider carts are mandatory.

Cocoa Beach Golf Course will continue regular operations with our 19th hole restaurant offering take-out with no indoor seating. The hours of operation have been changed to 8 am to 3 pm. We will also continue to closely monitor all changes in CDC, federal, state and local health guidelines as they relate to the Coronavirus outbreak to ensure a safe and healthy environment at Cocoa Beach.

We appreciate everyone's patience during this time.
