

ADDENDUM #1 TO RFP CB 22-002

City of Cocoa Beach Gravity Sewer Rehabilitation Project

February 3, 2022

To All Prospective Proposers:

The City of Cocoa Beach hereby issues this Addendum to the above-referenced solicitation:

- 1) **Clarification:** The updated language for Section 3 Clause (RFP CB22 002 Item 22) shall read as follows:

Section 3 Clause. The work to be performed under this contract is subject to the federal requirements of Section 3 of the Housing and Urban Development Act, as amended under 12 U.S.C. 1701 (Section 3). The purpose of Section 3 is to ensure that the selected Contractor will, to the greatest extent feasible, provide opportunities for training and employment be given to lower income residents of the project area, and contracts for work in connection with the project area be awarded to eligible business concerns which are located in, or owned in substantial part by persons residing in the area of the project. This Section 3 Clause will be specifically incorporated into this agreement and must be included in this contract and any sub-contracts

- 2) **Question:** Would the city consider any alternate inspection technologies for the pre and post inspection on this project.

Answer: No

- 3) **Clarification:** Exhibit C Line Segments has been updated to better represent the diameter of the pipes and is attached with this addendum.

Answer: See attached

- 4) **Clarification:** Davis Bacon will apply to this project:

Davis-Bacon and Related Acts. This Act applies to contractors and subcontractors performing on federally funded or assisted contracts in excess of \$2,000 for the construction, alteration, or repair (including painting and decorating) of public buildings or public works. Davis-Bacon Act and Related Act contractors and subcontractors must pay their laborers and mechanics employed under the contract no less than the locally prevailing wages and fringe benefits for corresponding work on similar projects in the area. The Davis-Bacon Act directs the Department of Labor to determine such locally prevailing wage rates. The Davis-Bacon Act applies to contractors and subcontractors performing work on federal or District of Columbia contracts. The Davis-Bacon Act prevailing wage provisions apply to the "Related Acts," under which federal agencies assist construction projects through grants, loans, loan guarantees, and insurance. For prime contracts in excess of \$100,000,

contractors and subcontractors must also, under the provisions of the Contract Work Hours and Safety Standards Act, as amended, pay laborers and mechanics, including guards and watchmen, at least one and one-half times their regular rate of pay for all hours worked over 40 in a workweek. The overtime provisions of the Fair Labor Standards Act may also apply to DBA-covered contracts.

- 5) **Question:** Special Instruction Minimum Qualifications: Must the installation contractor have at least five years active experience in the installation of the proposed CIPP and provided the product on a minimum of 1M linear feet or can the contractor's "project team or employees" satisfy the required minimum qualifications?

Answer: Project Team or employees will not satisfy the required minimum qualifications.

- 6) **Question:** Are specified CIPP liner thickness manufactured thickness or finished thickness?

Answer: Manufactured Thickness

- 7) **Question:** Given the amount of information to be submitted on this RFP – Would the City increase the number of pages to be submitted from 40 pages, to at least of 100 pages?

Answer: Maximum of 100 pages will be allowed

- 8) **Question:** Rather than having just one all-inclusive line item for cleaning (3 different levels) & inspecting (pre & post) sanitary sewer mains, can you modify the bid form to include each of those descriptions in a line item? Similar to below:

- a. Pre-construction sanitary sewer inspection
- b. Post-construction sanitary sewer inspection
- c. Clean sanitary sewer piping (light cleaning)
- d. Clean sanitary sewer piping (medium cleaning)
- e. Clean sanitary sewer piping (heavy cleaning)

Answer: The pricing tables in Exhibit B will be adjusted to break down cleaning and inspection. Please see attached Exhibit B pricing Table D-1 and D-2 respectively. All other pricing tables remain the same

- 9) **Question:** What is the timeline of this contract and how many annual contracts will be a part of it?

Answer: The timeline of this project will be based solely on the sub-recipient agreement between the City and the Department of Economic Opportunity (DEO). Mitigation grants are assumed to allow 5 years to complete the project in its entirety. There will be no annual contract. One contract will be executed with the stipulation of project completion to be set by DEO.

- 10) **Question:** In the case that this will be a multiyear contract, will there be an escalation clause that could be applied after the first year has concluded?

Answer: No

- 11) **Question:** Under page 41 item A. Ability to the Proposer and Performance of the Product, it reads “Provide a letter from the Proposer’s Surety confirming a minimum bonding capacity of \$200,000 accompanied by a signed Power of Attorney.” Is the intent of the City to break this project in to work orders of \$200,000 in value? If that’s the case, will the contractor get paid mobilization for each work order?
Answer: The intent of the city is to be assured that the company can secure a minimum bonding capacity of \$200,000. The project will not be broken into \$200,000 work orders.
- 12) **Question:** Page 17 item 2. Hydraulically Propelled Cleaning Equipment 3. Mechanical Cleaning Equipment, Will the contractor be obligated to utilize this cleaning equipment or will the City allow the contractor to utilize their own means and methods to clean the pipe?
Answer: The contractor will be obligated to utilize this cleaning equipment.
- 13) **Question:** On page 14 item K it reads “The Contractor shall provide trenchless reconstruction of service laterals and main line sewer”. What does the City mean by “trenchless reconstruction”? Please clarify.
Answer: Trenchless reconstruction is referring to no digging.
- 14) **Question:** On page 41 Evaluation Criteria it states “Each criterion will be scored between 1 and 5; 1=poor, 2=below, 3=average, 4=above average, 5=excellent.” What will be the criteria to score each proposer’s price? And how will the low bidder on Price and Score be determined?
Answer: Pricing tables will be evaluated in comparison between all proposers. Scoring of the proposer’s prices will be up to each individual on the evaluation committee. This is a weighted RFP and the proposer’s price is 30% of the overall request for proposal.
- 15) **Question:** Can the City provide the sign in sheet of the mandatory pre-bid meeting?
Answer: Sign in sheet has been posted on the City Website
- 16) **Question:** Is the pre-bid sign in sheet available?
Answer: Sign in sheet has been posted on the City Website
- 17) **Question:** Exhibit D Segment maps are not legible. Can the City provide maps that are legible?
Answer: The Segment maps posted are the best the City can provide.
- 18) **Question:** Is there a typo on the exhibits referenced on page 4 item 2(a).
Answer: Yes. Exhibit F is the correct reference as shown below.
- A. **Proposal Form and Certification:** Complete the form enclosed as Exhibit F and return in the submittal immediately following the cover page and before the cover

letter. Proposals without the manual signature of an authorized agent of the Proposer shall be deemed non-responsive and ineligible for award.

IMPORTANT: Please be sure to sign at the designated location at the end of this addendum, certifying receipt of this addendum, AND include a copy of the signed addendum in your proposal. Failure to include this signed confirmation of receipt may disqualify you/your firm from further consideration.

~ CERTIFICATION OF RECEIPT OF ADDENDUM ~

(This signed addendum MUST be included in your/your firm's proposal.)

I, the undersigned, do hereby certify that I/my firm have/has received of copy of **RFP CB 22-002 Addendum #1**, issued on **February 4, 2022**, by the City of Cocoa Beach.
